

GASOLINE BUSINESS LICENSE

Date: _____

This is to affirm that the information I give below is true and valid and is to be considered part of my application for a renewal of my business license.

GALLONS OF GAS sold during the calendar year _____

Gasoline _____

Diesel _____

GROSS RECEIPTS from sales \$ _____

The number of gallons sold will be multiplied by the applicable federal and state tax figure and that figure will be deducted from the gross dollar amount of sales during the calendar year.

After that, the net figure will be multiplied by .20 which is the rate of tax for retail sales.
